Architectural floor plan of a two-story building. The plan shows a central corridor (CH 1.06, 40.54 m²) with a large circular area (Ø150) and a diamond-shaped area (Ø120). The left wing contains a kitchen (GT) with a sink and stove, a bathroom (GT) with a toilet and sink, and a living area with a fireplace (F) and a large window (336). The right wing contains a kitchen (GT) with a sink and stove, a bathroom (GT) with a toilet and sink, and a living area with a fireplace (F) and a large window (342). The plan includes various dimensions, door swings, and room labels.
