

The architectural floor plan depicts a large, 'T'-shaped building complex. The upper wing is tilted at an angle, while the lower wing is horizontal. A central vertical corridor connects the two wings. The plan shows a dense arrangement of rooms, likely residential or institutional, with various internal partitions and doorways. Stairwells are indicated by circular symbols with radiating lines. A north arrow is positioned in the bottom right corner of the page.

SURFACES	UTILES
Chambre	10.70 m2
Salle d'eau	3.00 m2
Sas-Cuisine	4.60 m2
Total	18.30 m2
